About Raising Hope: Raising Hope, Inc. is a local non-profit organization based in Pinellas County. One of the main support functions of Raising Hope, Inc. is to provide infants and children who have been placed in the Pinellas Foster Care system with new duffel bags packed with clothing and toiletry necessities that are age appropriate. This modest, yet needed item allows these children to arrive at their new foster home with their immediate needs being met. We accomplish this through fundraising and by developing partnerships with individuals, civic organizations, and businesses within our community.

Cash Donations Also Accepted.
